Abortion Act 1967 12
Abortion among Nigerian teenagers 22-24
  attitudes by age 23
  attitudes by religion 23
  attitudes by sex 23
  need for sex education 24
Acquired Immune Deficiency Syndrome (A.I.D.S.) 88-90
  A.I.D.S. cases in U.K. 89
  assessment of risk factors 90
  definitions and descriptions 88
  epidemiology of 88, 90
  WHO study 89
Adoption failure 133-138
  age range 135
  children with special needs 133
  disruption and the agency 137
  evaluating disruption 134
  exchange study analysis 135
  family in disruption 136
  family's need after disruption 137
  frequency of disruption 133
  social work perceptions 133-134
  the child in disruption 135
  understanding disruption 133
  working with children after disruption 137, 138
Adverse effects of drugs, causes and prevention 39-46
  adverse drug interactions 43
  adverse drug reactions prevention 45, 46
  adverse drug reactions since thalidomide 41
  ß-adrenergic blocking agents 39, 43
  beneficial results from antibiotics 39
  causes of adverse drug reactions 41
  Committee of Safety of Medicines 45
  cytotoxic drugs 39, 41, 42
  detoxication and activation 40
  development of diuretics 39
  drug activities in the elderly 44
  drug use and life expectancy 39
  examples of selective toxicity 40
  genetic impairment of detoxication 43
  identifying adverse effects 45
  inadequate patient nutrition 44
  influence of drug plasma concetration 42, 45
  manifestations of drug toxicity 40
  safety and efficacy of medicines 39
  safety evaluation 44, 45
  steroid hormone inhibitors 39
  vasodilators in heart disease 39
A.I.D.S. Activity Unit 89
Alcohol use in Bendel State 49-51
  abuse by students 49
  attitude of school principals 49, 50
Ambulancemen, mortality data of 28-30
  age at death 1979/80 29
  cause of death 1979/80 29
  deaths by health region 29
  deaths 1979/80 by sex 29
  deaths in males 1979/80 29
  ill-health not heart disease 28
  pattern typical of population 30
  proportional mortality 1979/80 29
  retirement from disease 28
Association of British Dental Surgery Assistants 196

Baby feeding equipment sterilisation 131, 132
  disadvantage of microwave oven 132
  evaluation of microwave oven 131, 132
  microwave oven unreliable 132
  need for boiling method 131
Black Report (1980) 53
Book Reviews 34, 75, 112, 149, 187, 224
Breast cancer and oral contraceptives 5-9
  aetiology of 5
  age and incidence 5, 6
  mitotic activity of breast epithelium 7, 8
  protective effect of menopause 5, 6
  relative mortality and body weight 6
  risk at menarche 5, 6
  risk by age and pregnancy 6
  role of menstrual cycles

Sterilising baby feeding equipment — see baby 131
Stress factors 139, 140
diagnosis 139
differential diagnosis 140
etiology 139
treatment 140
treatment after diagnosis 139
Stress and psychosomatic disease 47, 48

PAGE

environmental causes 47, 48
coronary prone behaviour 47
cost to the economy 48
need for research 48
prevalence among managers 47
Telic Dominant individuals at risk 47
Suicide — see management of 127
Sweeteners replacing sugar 117, 118
adverse effects of sugar 117
benefits of intense sweeteners 117
bulk sweeteners 117
dental effects 117
intense sweeteners 117
saccharin and aspartame 118
soft drinks sweeteners 117

Telic Dominance Scale 47
Torry Research Station 20

U.S. Third National Cancer Survey (TNCS) 56

Vibration, man and tolerance 184-187
hand-arm vibration 186
human tolerance to repetitive forces 184
motion sickness 185
oscillatory component involvement 184
reducing oscillation 187
soundless vibration 184
symptoms of distress 186
vibration level (RMS acceleration) 184
whole body vibration 185
Visitors from overseas 38, 76
Venereal disease awareness 144-146
among Nigerian teenagers 144-146
attitude to sex education 144
need for school and public health education 146
problems of Nigerian secondary schools 146
sexually active adolescents misconceptions 145
venereal disease knowledge test (VDKT) 144

Waste disposal, challenge of 171-177
composition of municipal waste 174
conserving energy resources 171
Control of Pollution Act (1974) 171
Control of Pollution (Special Waste) Regulations (1980) 171
County Planning Officers' Society 172
County Surveyors' Society 171
Deposit of Poisonous Waste Act (1972) 171
effects of lifestyle changes 171
environmental awareness 171
hazardous waste disposal 176
need for waste reduction 177
resource recovery 174, 175
role of private sector 177
use of landfill sites 171
waste disposal methods 172-174
waste management 171
Water and Nepal 181-183
drinking water and sanitation problems 183
drinking water supply 181
economic development and water 181, 182
water-borne disease 181
water contamination in Kathmandu 181
Water supply and Nigerian sanitation 68-74
environmental sanitation 70
major water supply systems 69
refuse disposal 70
water associated diseases 71
water treatment schemes 72
Work and health in Zimbabwe 216-218
female attitudes 217, 218
male perceptions 217
need for review 218
occupational health in tropical countries 216

Zoonoses in Britain 77-87
anthrax 78
bovine tuberculosis 79, 80
brucelloses 79
commonly reported infections 77
foodborne infections 81-86
human mortality and hospitalisation 78
incidence 78
occupational diseases 82, 83
zoonoses from pets 80-82
zoonoses present 78
